DETAILED ACTION

Allowable Subject Matter

1. Claims 23 and 24 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The limitations found in claim 23 are neither disclosed nor taught by the prior art of record, alone or in combination. The prior art of record does not disclose the limitations of a plurality of frame segments arranged such that three mutually orthogonal frame segments are joined at a corner portion of the frame; wherein each of the three frame segments is cut along two planes at an angle of +/- 45 degrees relative to a plane defined by the other two frames and obliquely extending draining portions are provided on both sides of each of the outer side surfaces of the three frame segments, wherein corresponding ones of the draining portions are joined together at the corner portion in combination with the other limitations recited in claim 23.

The limitations found in claim 24 are neither disclosed nor taught by the prior art of record, alone or in combination. The prior art of record does not disclose the limitations of a plurality of frame segments arranged such that three mutually orthogonal frame segments are joined at a corner portion of the frame by fasteners and by welding; wherein at least respective inner portions of the joined frame segments are joined at the corner portion by welding; and at least respective outer portions of the joined frame segments are joined at the corner portion by fasteners; wherein the recessed portion of each frame segment comprises a draining portion and the recessed portion of each frame segment is secured at the corner portion by welding at an end
